

'Red Beauty' has rich red **continuously** **blooming** flowers

Our new reblooming Dianthus 'Red Beauty' is a sport of 'Firewitch'. It is just as heat tolerant, but blooms longer with more controlled growth. Deep blue foliage and bold red color will make it the main attraction in any perennial garden. This Darwin Perennials Exclusive is available in liners, and is included in the Fast Finish™ program. Call your Ball Seed sales rep to order today.
